WITH **JOBS & INTERNSHIPS**

Each season, The Soraya provides CSUN students with employment and internships within the organization.

For the 2022 - 2023 season, our **acclaimed usher core** will include **Mike Curb students** offering the highest level of customer service to Soraya patrons.

Additionally, The Soraya will offer **four internships** this season (funded by the Bayramian scholarship). These interns will work 10 hours a week and gain valuable arts administration experience within the Development, Marketing, and Arts Education departments.

JACOB JONAS THE COMPANY

SEMESTER RESIDENCY

CSUN dancers will join filmmakers and composers from the **Mike Curb College** as part of the Fall 2022 Residency at The Soraya. This special program will offer CSUN students a curriculum designed to train young artists to create and produce short (4 - 5 minute) artistic dance films.

Jacob and his team will train students on how to design a dance film treatment plan, filming techniques specific to dance, and how to work effectively as a creative team.

The completed films will be **screened at The Soraya in January 2023.**
